# LUNCH WITH THE PROS

Every year, Lambuth Business students get a chance to rub elbows with business professionals at "Lunch With The Pros". This is a great opportunity for students to meet and mingle with professionals and to get a few pointers on how to make it in the world of business.

## 2005 DESIGNERS SHOWHOUSE

Last spring several Interior Design majors took on a major project when they started renovating one house in downtown Jackson. Headed by Dr. Larry Ray, this project allowed students to have some hands on experience in the real world of interior design.
